

# The Dartington Debate Series

In association with Tomorrow's People

The Great Hall Dartington

1<sup>st</sup> December 2009, 6.30pm-8pm

*Work - what can individuals, communities, and businesses do to reduce/eliminate worklessness?*

This topic is one of our important current problems: the need to create work that is meaningful and sustainable for some of the most vulnerable and marginalised in our community - young people, people with disabilities and ex-offenders.

Our expert panel will focus on the impact of worklessness in our rural and urban communities and discuss possible solutions. Attendees of the debate will be given the opportunity to explore and examine how these issues affect society today.

Joining **Celia Atherton**, OBE, as Chair, our panel will be an impressive group of experts:

- **Tim Jones**, FRICS, Chairman, Devon & Cornwall Business Council
- **Debbie Scott**, OBE, CEO, Tomorrow's People
- **Dame Jo Williams**, Chair, Prison Reform Trust
- **Alastair Wilson**, CEO, School for Social Entrepreneurs UK

*Join us for what we believe will be a stimulating and enjoyable evening*

Tickets are on sale from the Dartington Box Office at £5 each  
Concessions available for the unemployed
